EDUCATION

Texas Tech University, Lubbock, Texas
Bachelor of Science in Computer Science
Minor in Mathematics

December 2025

GPA: 3.0

Relevant Coursework:

- **Software Development:** Data Structures, Algorithms, Object-Oriented Programming (OOP), Software Engineering Principles
- **Systems & Networking:** Computer Networks, Assembly Language, Operating Systems
- **Data & Databases:** Database Management Systems (DBMS)

EXPERIENCE

Autozone, Lubbock, Tx

Sale/Customer Satisfaction

May 2024 – Present

- Provided technical support to customers by identifying and sourcing correct automotive parts using electronic inventory systems.
- Troubleshoot product compatibility issues, offering solution-oriented recommendations.
- Handled transactions, returns, and exchanges with accuracy in point-of-sale systems.

Tx Department of Transportation, Gainesville, Tx

Engineer Support Intern

June 2023 – August 2023

- Analyzed technical project data and ensured compliance with engineering safety standards.
- Collaborated with technical teams to review systems specifications and identify improvement areas.
- Updated digital documentation and maintained structured databases for project tracking.

SKILLS

- **Frontend:** HTML5, CSS3, JavaScript (ES6+), React.js, Vite, Tailwind CSS
- **Backend:** Node.js, Express.js, RESTful API development
- **Databases:** MongoDB, SQL (MySQL, PostgreSQL)
- **Programming & Scripting:** Python, Java, C, C++, Bash
- **Tools & Platforms:** Git, VSCode, Eclipse
- **Certifications:** Responsive Web Design – freeCodeCamp (2024)

PROJECTS

- **Personal Financial Advisor:** React, Express.js, MongoDB, Vite, JavaScript, Tailwind CSS
 - Built a full-stack financial planning web application with percentage-based income allocation and real-time budget tracking.
 - Developed RESTful API with Express.js and integrated MongoDB for secure, persistent, per-user data storage.
 - Implemented dynamic form validation and state-driven UI updates for instant financial calculations.
 - Designed a responsive interface using Tailwind CSS for a clean and intuitive user experience.
